

Class Name:

Courageous Grandparenting

Description:

Courageous Grandparenting will serve as an elective supplement to the *Family Driven Faith* course and will look at topics such as: Relationships with our Adult Children, Grandparenting in a Digital World, Live a Legacy That Outlives You, Speaking Blessings over your Grandchildren, Scripture Memorization, Facing Your Grandparenting Fears, and more.

Why You Should Attend:

This class will challenge grandparents to intentionally stand in the gap and to live as conduits of grace and truth for the next generation. Supporting the efforts of their children, grandparents will be challenged to prevent another generation from growing up on their watch who potentially do not know the Lord or His amazing grace. Participants will be encouraged to develop an action plan to accomplish these objectives with the aid of helpful resources and group discussion.
